Dear Valued Customer:

My wife and I were talking about relocating our warehouse. We have about 30,000 square feet of warehouse space and the rent was going to increase. She suggested that with the size of our store in Alpharetta and the rent increasing for the warehouse space, we should look for a smaller warehouse. As usual, she was right. **SO WE ARE MOVING OUR WAREHOUSE.** She also suggested that we have a **GIANT WAREHOUSE SALE.** Yes, she was right...again.

**For the FIRST TIME EVER, we're opening up our warehouse doors to the public.** We have over \$1 million in inventory of sofas, wall units, dining room sets, bedroom suites, chests, rugs etc. and some scratch and dent odds and ends from **Bernhardt, Sherrill, Habersham, Century, and Lexington** and many more brand name manufactures.

On Saturday, June 23rd and Sunday, June 24th, our warehouse located at **1250 North Meadow Parkway Suite 100, Roswell, GA 30076** will be **OPEN TO THE PUBLIC FOR THE FIRST TIME IN 20 YEARS IN THE FURNITURE BUSINESS.**

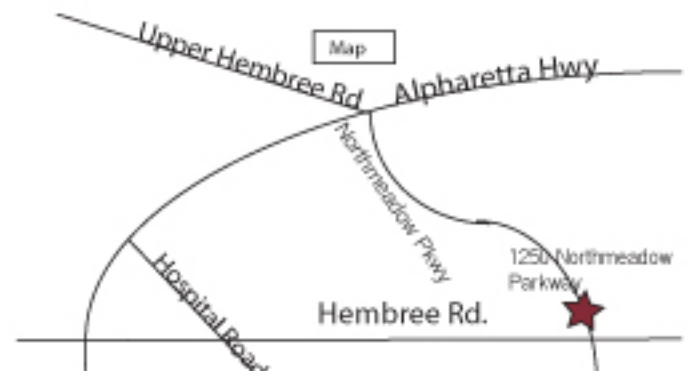

Our store at 230 South Main Street, Alpharetta will be closed on Saturday, June 23rd in order to cater to our clients at the warehouse. Our Warehouse will be open from 10-6, Saturday, June 23rd and 1-6 on Sunday, June 24th.

Come by and visit us with your family and friends.....

Very Truly,
